

Quickstart for Teachers

Step by Step:

1

Familiarize yourself with the website & preview the program at www.stepupyoursafety.com/nbteach

2

Have your students sign up at
www.stepupyoursafety.com/nbyouth

The complete activity may take approximately one-hour plus. You may ask students to provide you with a copy of their certificate as evidence that the assignment has been successfully completed.

3

Optional - **Classroom discussion:** Guided discussions are available as Resources on the teacher site. They include suggested questions and information to support the discussion.
